The APCC Smile Streaming Concert was a huge success. Watched by 1.3 K people, the organizer received a lot of positive feedback praising all artists. The former participants were able to re-live their memories of APCC; and some mentioned that they were almost in tears when they watched the "We are the BRIDGE" song. The APCC Theme song came alive with the addition of our performers' voices and instruments, with BC members' and APCC Coordinators' voices from 40 countries on the background of the chorus.
