“Meet the Gems” an online gathering of APCC members which aimed to have members get to know of other members and to find members’ potential to collaborate with. The 1st series of Meet the Gems was held on March 19th, 2021 where six presenters from five different countries presented their profile. Each presenter has their own success stories and extended their offers to the interested members in BCIO network. This first event was attended by 34 BC members/volunteers. The event was facilitated by Nidhi Parekh, Assistant manager of BCIO. Arief Adinoto, BCIO General manager lead the open discussion and Q/A time. And Fathimath Shaanaa, BCPN database leader ended the event with vote of thanks.

Please stay tune to BCPN for the 2nd series of Meet the Gems.
